**About the USA-Kenya Chamber of Commerce**

The USA-Kenya Chamber of Commerce is a non-profit, non-partisan, non-governmental organization whose mission is to enhance mutual partnership, trade and investment between the USA and Africa—with a core competence and focus on transactions between the United States, Kenya and South Africa. We serve as an information resource for strategic market data, as a facilitator of stakeholder networking, and as a voice for our members and business community in the creation of ideal business and economic conditions that foster growth and prosperity in the private sector. The objective of the USA-Kenya Chamber of Commerce is to facilitate and aid companies on both sides of the Atlantic with finding suitable business partnerships, trade and investment opportunities as well as access to markets that result in increased business development for American and African companies. Visit [www.uskcc.org](http://www.uskcc.org) for details and registration.

**Kenya is a Key Trading Partner of the United States** with annual trade (imports and exports) in excess of \$1 billion. In 2007, U.S. Exports to Kenya totaled \$578 million and included Aircraft, Industrial Machinery, Electrical Machinery, Vehicles, Cereals, Vegetable Oils, and Coarse Grains.

Kenya is East Africa's largest regional economy with a sophisticated and highly deregulated free market that is experiencing aggressive growth in Infrastructure Development, Renewable and Alternative Energy Development and Distribution, Healthcare, Information Communications Technologies, Finance and Banking, Agri-Business, Manufacturing and Tourism, among others. This is your opportunity to grow your business by exporting your products and services to a well capitalized market with outstanding returns--Kenya.
